RE: Americans for Prosperity vs. Gurbir
Grewal, et al.
Civil Action No.: 3:19-cv-14228

Dear Judge Martinotti;

This office represents the Defendants in the above-captioned matter. Defendants' brief in opposition to Plaintiff's motion for a preliminary injunction is due on August 20, 2019. We respectfully request, with the consent of Plaintiff's counsel, that the Court permit the Defendants to file a brief of 45 pages, rather than the 40 pages allowed under L. Civ. R. 7.2(b). Defendants make this request so that, among other things, we can fully provide the Court with important background information concerning the development of, and the policies behind S150, and allow Defendants to explain in full their proposed construction of the provisions of S150 being challenged in Plaintiff's application. Considering the significance of the statute being challenged in this case, Defendants respectfully submit that this modest extension request is warranted.
